Correspondence Between Chamber of Commerce and N. & W. Officials.

As the result of correspondence between the Chamber of Commerce and the general passenger agent of the Nortolik and Western Railway, the 1,000-mile tickets of that company will be placed on sale in tide city. This will be a great convenience to commercial travelers and others leaving Richmond, who have heretofore not been able to purchase these mileage books in Richmond, but have been compelled either to send to Roanoke for them or purchase them at Petershurg during the limited time between the arrival and departure of trains at that point.
